Hi

I feel this may be late but thought I would send anyways.

We like to offer our support for the proposed work on The Buck Inn, Grindleton. We moved to the village [REDACTED] ago in [REDACTED] and aim to make this our forever home. After 20years of living in Clitheroe we have firmly decided the only two things missing in the village is; a good pub and a bit of a shop. We have discovered, since moving here there are a lot of people whom don't like change so what to really support a positive change to this village.
