We write in support of this application.

Grindleton has been without a pub for some years and there appears no prospect of the Duke of York being reopened as a pub. The village desperately needs a pub as a drop in social centre as the Pavilion cannot provide this. These days, for a pub to be viable it has to be able to have room to provide food for a reasonable number of people in a comfortable environment, so the proposed extension to the Buck would be essential for its success.
