Your Comments: We wholeheartedly support the application for Loud Mytham Barn to be used as a permanent dwelling house. Loud Mytham Barn [REDACTED] [REDACTED] would very much prefer a permanent resident at the Barn, rather than various visitors coming and going. Especially considering the prospect of large groups of people causing a disturbance in what is a very peaceful part of the Valley. [REDACTED] we have enjoyed the peace and quiet and would be opposed to having that disturbed by potentially rowdy holidaymakers. [REDACTED] [REDACTED] [REDACTED] a home in the country within a friendly community. Something that would not be possible with different people each week.

[REDACTED]

[REDACTED] if the Barn was to have a permanent resident [REDACTED]

Another point of concern regarding the possibility of the Barn being empty for periods of the year is the greater risk of burglary and theft at the property, which would not only be distressing to the owner but we also would not like a [REDACTED] and attracting burglars into the area, especially considering the current rise in numbers of rural properties being targeted. We would also feel uneasy [REDACTED]

[REDACTED] Which is something that has been necessary on a number of occasions before

We give this application our full backing and hope that the Barn will be allowed to be used as a permanent dwelling house [REDACTED]

Aside from the objective reasoning behind our backing for the application to be approved we would like to add that having known [REDACTED] for a year now [REDACTED] have poured so much love and effort into this community for decades and her contribution to the local community is hugely valid and important. Loud Mytham without [REDACTED] would quite simply not be the same and we fully support her want to reside at the Barn permanently.
