Your Comments: We wish to object to the above application. We feel it will serve no purpose to the community. The cars that pass will generally not be able to see/read the banners due to the location and the speed in which they will pass, 

The proposal is also for the Banners to be up 6 times per year for 3 weeks each time. That equates to 18 weeks per year, which again, we feel will be for a considerable amount of time.

What purpose will the Banners serve? there are other more purposeful ways to advertise these days .

Thank you
