Your Comments: I fully support this application. It will bring back to life a very much missed shop in the form of Swifts and also I see the changes as an improvement to the area and town. This is much needed in terms of investment for both retail units and also housing in the form of seven new apartments. Longridge needs some new investment and I feel this scheme would benefit it greatly.

Dear Sir,

Re Planning Application 3/2021/1160 53 - 57 Berry Lane Longridge PR3 3NH

Demolition of an extension, polytunnels and storage building and erection of extension to existing retail premises Use Class E at ground floor and five apartments above. Conversion of upper floor of existing building to create two apartments.

I am writing to express my full support for the above planning application to refurbish the shop recently damage by fire and provide three new retail units and seven apartments in the town centre. The proposal will bring much needed investment into the town. The six one bedroomed flats and the two bedroomed flat will provide homes for people setting out on the housing ladder or those wanting to downsize and live close to the shops and community services centre.

Yours faithfully,
