

[REDACTED]

Betty Barn,
Slaidburn Road,
Waddington,
BB7 3JQ

Date: 16th August 2023

Report Ref: [REDACTED]

The brief of this inspection was to visit Betty Barn and check the current condition of the barn based upon the report written by [REDACTED] in March 2019.

A site visit was undertaken on 15/08/23 and in line with section 2.0 and 3.0 of the previously mentioned report, an external and internal visual check was performed. After observing the property and reading the report I can confirm that the report is still valid and reflects the current structural condition of the building.

As mentioned at the end of the report, I also have not inspected covered or inaccessible areas of woodwork or anywhere which is not previously covered by the [REDACTED] report.

Yours faithfully

[REDACTED]
