Dear Sirs,

I want to add my strong objection to the following application , having already made an objection to the application for the installation itself:

3/2023/0005 Advertising consent for proposed BT hub on pavement King St. Clitheroe

It is beyond belief that advertising structures such as these could be considered in the Conservation Area of Clitheroe. I trust that we can rely on you to uphold planning policy and reject this application outright.

Yours faithfully,

[REDACTED]

Planning Application Reference No.: 3/2023/0005

Address of Development: Pavement outside of 7-9 King St

Comments: On behalf of [REDACTED] I wish to raise our objection to the requested advertising consent, please refer to our comments for hub application 3/2023/0006 at the same location. The addition of illuminated/digital advertising in this location is incongruous with the Conservation Area and listing buildings in the proximity and will be detrimental to the visual amenity in the Conservation Area and nearby listed building setting.
