Thank you for this application. Unfortunately with the plans provided we are unable to see how this relates to the footpath. We would require further location plans in order to make a decision.

The granting of planning permission does not authorise any stopping up; closure; obstruction or diversion of a Public Right of Way, without the appropriate order. This is to protect existing Public Right of Way users and to maintain the operation and safety of the local Public Right of Way and to minimise the impact of the construction works on the Public Right of Way
