Dear sir [REDACTED] to the application and I have a few reservations one being the removal of trees premature to the application some of which I [REDACTED] and were cut down [REDACTED] Also work on the site seems to have started now my main worry is that the plan shows a new septic tank with a discharge outlet into the ditch [REDACTED] that doubles as the drinking water for stock in the field also the outlet is very close to a tree that has a root protection zone on it [REDACTED] Finely church lane is mainly a one track road used a lot by large farm traffic and thought should be given to the increase in traffic
