comments: To Whom it May Concern I am writing in support of the plans for the Ribble Valley Council planning application 3/2020/1037 At Seed Hill (Land to the rear of Grove Square) Malt Kiln Brow Chipping PR3 2GP The development as a whole is well thought out and will have a very low visual impact due to the well designed and positioned cabin structure. It will be a high quality addition to the accommodation available in the village and, albeit on a small scale, bring additional economic activity to our community. I understand that the owners have owned the land for some years and have carried out appropriate ecology surveys to ensure there are no disturbances to any existing wildlife. I also understand the owners intend to

enhance the biodiversity of the site with wildflower reseeding. I conclude that I am in full support of this application. [REDACTED]
