addDev: Seed Hill Malt Kiln Brow road Chipping PR3 2GP

comments: I consider this to be a thoughtful and sensitive development. The plan is for a high quality property with a low physical profile versus existing surroundings and buildings. It will enhance available accommodation in Chipping in a mindful way, including conservation of existing ecosystems and wildlife. This will be refreshing at the moment for Chipping as a development with commitment to the environment. For these reasons I strongly support it.
