FOR THE ATTENTION OF	

Dear Sir / Madam

Re: Planning Application No 3/2021/0022
Tanner House Barn

I am writing to object to the above application for the following reasons;

The scale of the rear extension is such that it will overlook my garden thus compromising my privacy and obstructing light.

The overall scale of the extension and proposed additional building, 'entertainment room' is not in keeping with the character of the neighbourhood.

An 'entertainment room' suggests a potential for noise which because of the proximity of my garden would be intrusive.

On the plans the building referred to as an 'Entertainment room' has the scale and appearance of a separate dwelling.

The terms of the Title deeds of our property state that 'No outhouse building erections and other structures of any description whatsoever shall be erected' on the lower part of my garden. This restriction applies to all four cottages in this row. This part of my garden is in line with, and within a short distance of, the site of the proposed 'entertainment room' and it would be counterintuitive therefore to allow this building to be erected.

Having lived here for over 65 years I am aware that there is a large well on the property which may cause issues to the row of cottages if filled in.

I hope you will consider my objections when arriving at a decision for this application.

Yours sincerely
