*comments:* Having viewed the amended proposal, it actually changes nothing to alleviate my concerns over my privacy. The very large balcony allows viewing directly into my garden, kitchen, lounge, and dining room. I've lived at this property for over 17 years and value my privacy, this extension makes it impossible to now have any privacy. The extension and proposed balcony is completely out of character to the rest of the extensions built on the estate. The viewing balcony will also effect the resale value of my property if ever I come to sell it,
