comments: Hello, I am objecting to this development due to the increased risk of flooding in the area. I live on Longworth Road and have now been flooded twice in the last 6 years. Each time has been very traumatic and difficult to manage. [REDACTED]
[REDACTED] I have to rely on friends and neighbours when there is a flood risk. This development will add more water to the area with more surface water running into the River Calder. The river is already

reaching breaking point each time there is a flood risk. More water will make the risk of flooding greater. I strongly object .
