addDev: NEDDY LANE, BILLINGTON.

comments: I would like to object to this planning application because of - The loss of green field and wild life. The increase in population which will put pressure on the schools, doctors surgeries and the road network. A far from perfect access to the site. Loss of flood plain(the corner of the development is only feet away from where water flooded to a depth of 3 feet on 2 occasions recently.) This development and the many others are changing the character of the area.
