F.A.O. Mr A. Birkett

Dear Mr Birkett,

Re: Planning Application No. 3/2021/0215

In response to your letter dated 3/3/21 regarding the proposed extension of existing campsite etc, my concerns with the proposal would be that due to the proximity to our property there would be an issue with both light and more specifically noise pollution.

I trust that these concerns would be addressed before approval is given?

Yours sincerely
