Subject: Planning Application No: 3/2021/0237 - 3 Moorfield, Whalley

FAO Ben Taylor.

Dear Sir,

My name is [REDACTED]

I wish to raise an objection to the above application on the grounds that the proposed development is unnecessary and will permanently and detrimentally change the streetscape and urban fabric of Moorfield, Whalley.

I have absolutely no objection to people improving their homes but I see no reason to increase the ridge height and essentially create a house rather than a bungalow. There are sufficient houses being built in Whalley and the Ribble Valley and if the applicant wants a house, I would suggest looking into other alternatives.

Many thanks, [REDACTED]
