Subject: Planning Application 3/2021/0237 3 Moorfield Whalley BB7 9SA

Dear Mr. Taylor,

I would like to register an objection to the proposed development at 3 Moorfield Whalley BB7 9SA. I reside at [REDACTED]

I have a particular interest, as the proposed increase in height of dwelling will be visible from all of my back rooms. It will overlook the rear of my house and garden, and reduce the natural light that I need.

Most significant is that it will completely block the beautiful view of Pendle Hill which I enjoy throughout the course of every day. I find this view essential to my ongoing wellbeing. My heart lifts when I look at the majestic Pendle, silhouetted against the sky. The possibility of losing the view is impacting my mental health already, and I will be devastated if the development goes ahead.

I realise that I am just one person and that we all have different needs. I have experienced much loss in life, and the simple things in life, such as this magnificent vista, are what help me to keep going forward with hope.

Thank you for your consideration.

Yours sincerely,
