Dear Sir

I would like to object to the proposed planning application regarding the above property as I don't think it will be 'in keeping' with the rest of the estate.

I know I am not directly involved but on looking at the plans - the proposed addition to the property will be detrimental to both numbers 1 and 5 Moorfield and to the two houses directly behind on Mitton Road. It would change the character of the estate by making a sizeable house on a small plot of land.

Yours faithfully
