Planning application REF: 3/2021/0311

Location: Brockhall Farm Brockhall Village Old Langho BB6 8BB

Dear Sir,

I am writing to object to eight dwellings being built at the above location as I am concerned about the access to the proposed development. We live at [REDACTED] and are close to the existing farm track. There would be a significant increase in vehicle traffic which kicks up a lot of dust after they have passed. The speed at which some vehicles travel, especially delivery vans, is a concern and also the noise that is created in this tranquil spot. Also the farm track is well used each day by many walkers and families enjoying the countryside and at present is safe to do so but with more vehicles up and down the track this would become a problem.

Yours
