1 The conifer hedge H1 is to be removed. The hedge is currently the nesting and roosting site of several birds. I trust that the hedge will not be removed during nesting season. 2 The south elevation faces properties on Hayhurst Road. The swimming pool and fitness room section is shown to be completed in a black finish which is completely out of keeping with the rest of the property. Why cant it be finished in the same coloured stone as the rest of the property
