**Address of Development:** Clitheroe golf club  
Whalley road  
BB7 1PP

**Your Comments:** Re: planning application for Golf nets at Clitheroe golf club. I believe this proposal should not be approved due to the impact on local wildlife. These nets are controversial as they can harm birds, bats and other species. They are also unsightly and would be visible from the road; resembling a maximum security fence. As a frequent visitor to the area, I think the nets would spoil, what is at present, a beautiful view. I am not against golf/golfers in any way but I would prefer a

more natural solution to the problem of errant golf balls, perhaps the hole could be repositioned to direct away from nearby houses.
