Your Comments: Re: Planning Application No: 3/2021/0530

Proposed loft conversion and raising of roof elevation and single storey extension to rear, Location: 102 Branch Road Mellor Brook, BB2 7NY.

Dear Mr Taylor,

As residents firstly may i say we have disappointed for not receiving a planning application notification regarding the above address.

The notification letter should have been sent to most of the properties on Woodfold Close not to only two properties.

We would like to object to the extension to the roof of the property

Loss of Privacy:

The proposed planning application to the roof and the construction of the rear dormer will overlook

the full extent of our property and garden area and this will affect our privacy extensively. Our garden and home are our sanctuary and we will not feel comfortable if this application was to go ahead.

We would like to oppose this planning application as for the ground floor extension this would not affect ourselves however it would affect the privacy of other residents .
