Your Comments: I do not believe that turning a residential property into a business for a vulnerable children's care home is correct for this area on both noise, anti- social behaviour and safety grounds. Firstly, the area is a quiet suburb with many retired folk and will become more noisy. Secondly, we currently have anti-social behaviour from kids using the railway underpass to congregate for smoking, drug taking and vandalism to the local area and increase the noise and disturbance to the elderly neighbours adjacent to me. Lastly, the inconsiderate parking by some residents on Knowsley Rd is bad enough right now, if there is additional cars and visitors it will only increase the local's concerns and particularly be a road safety issue for any children at the home.
