**Your Comments:** [REDACTED] I object to the application on the grounds that it will inevitably increase the volume of traffic and the consequential danger to elderly residents. The cars already speed along our road and have no respect for the resident's safety. Most of the residents in the terraced houses near to number 42 tend to have at least one if not two cars and parking is already difficult. Extra cars at number 42 will cause even more parking problems. Youths hanging around the area is already becoming a problem as far as anti-social behaviour is concerned and having a residential unit will add to the number of teenagers hanging around with nothing to do.
