**Subject:** Planning Application No: 3/2021/0573, Grid Ref: 372738 46601

Dear Sirs,

We write in support of our elderly neighbour living at [REDACTED] which is adjacent to the proposed development.

Apart from the fact the structure will tower over our neighbour's single storey kitchen, we are concerned about access and parking for work vehicles as this is very restricted and, as there is a blind bend just along from the property, parking on the road and/or pavement is not a feasible option.

Yours,

[REDACTED]
