CERTIFICATE OF LAWFULNESS FOR A PROPOSED USE OR DEVELOPMENT

APPLICATION NO: 3/2020/0734

DECISION DATE: 09 October 2020

Notes

- 1 This certificate is issued solely for the purpose of Section 192 of the Town and Country Planning Act 1990 (as amended).
- 2 It certifies that the use, operations or matter as specified taking place on the land identified on the attached plan would have been lawful, on the specified date and thus would not have been liable to enforcement action under Section 172 of the 1990 Act on that date.
- 3 This certificate applies only to the extent of the use, operations or matter described, and to the land specified and identified on the attached plan. Any use, operations or matter materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.
- 4 The effect of the certificate is also qualified by the proviso in Section 192(4) of the 1990 Act, as amended, which states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change, before the use is instituted or the operations begun, in any of the matters relevant to determining such lawfulness.
- 5 The applicant is advised that should there be any deviation from the approved plan the Local Planning Authority must be informed. It is therefore vital that any future Building Regulation application must comply with the approved planning application.
