

28 APR 2022

FOR THE
ATTENTION OF
Ribble Valley Planning Dept.

25.4.2022

Dear Sir / Madam,

With regard to the proposed traffic access along West Bradford Road (specifically Mascot Row) when construction traffic for the Hawes pipe line begins using the road.

and concerned about the parking facilities in [redacted] when wagons use the road to access the Fell Road [redacted]

easy access to my car is of the utmost importance - a disabled bay would alleviate this matter.

Thank you for your attention to this problem.

Yours faithfully

Letters (copies) sent to LCC Highways and Harp.
