Dear Sir,

Re:- Proposed Development Barrow Brook Business Park, Clitheroe.
Application ref. 3/2007/0964.

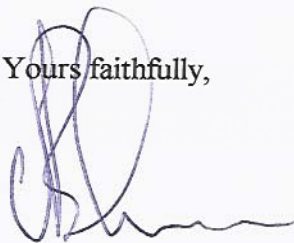

We thank you for the opportunity to meet yesterday to discuss the alterations to the above project.

We now enclose a hard copy of our revised drawings to substitute the drawings already in your possession, we have also issued electronic pdf copies by e-mail.

You will note that there is an increase in floor area from the original 8746m² to 10835m² an additional 2089m², could you amend this on the original application forms. We also believe this will generate an additional fee of £7420.00. perhaps you could confirm this.

We look forward to your further comments and final recommendation for approval of this application in due course.

Yours faithfully,

V.B.Craven.
