FOR THE  
ATTENTION OF

Dear John

**PROPOSED B1 OFFICE DEVELOPMENT  
BARROW BROOK BUSINESS VILLAGE, BARROW  
PLANNING APPLICATION NO. 3/2007/0964**

Members of the Parish Council have now considered this application.

It is regrettable, but probably inevitable, that the design of the buildings will be at variance with the residential properties in the Whiteacre Lane area.

There is some concern at the height of the proposed buildings which will be plain to see from housing developments and may cause some overlooking problems.

The Parish Council would like an assurance that you are satisfied that the arrangements for the disposal of surface water is adequate without causing flooding problems lower down the brook. Also that the existing sewer can cope adequately with the additional discharge from the proposed new development.

Yours sincerely
