Dear Planning Department,

Please find below objections raised by the Councillors of Waddington Parish Council to the following planning applications:

3/2013/0319

3 and 4 Orchard Cottages, Waddington – change of use.

Waddington Parish Council would like to register an objection to this proposal:

It was noted that planning permission was initially granted to build these cottages as holiday cottages. After ten years an application has now been made to have a change of use to residential. Waddington Parish Council find this very disappointing as Waddington is a tourist area and acceptance of this change of use would substantially reduce the number of holiday let accommodation in the village. It would result in a reduction in the amenities available in the village.

3/2013/0394

The Moorcock Inn, Slaidburn Road, Waddington

This application objected to on the following grounds:

1. The proposed planning application is out of character with the surrounding area
2. This is an area of outstanding natural beauty and WPC cannot support this application.

Kind Regards

Carol Baird
