## Planning Policy Team Opportunities Council Offices - Clitheroe

The Ribble Valley planning policy team is critical to delivering our vision to create a Borough with unrivalled quality of place, which respects the unique natural, social and built heritage of the area. Ribble Valley is an area with an exceptional environment and quality of life for all; sustained by our vital and vibrant market towns and villages acting as thriving service centres. It is an area where people want to live, work and visit.

As we develop our new Local Plan, we are looking for talented people to help us turn that vision into a reality. It's an exciting time to join our policy team as the new Local Plan takes shape and we progress towards submission in 2025. Whether you are interested in housing, infrastructure provision, the environment, economy, heritage or design, joining the new Policy Team will allow you to develop a wide range of skills and help to shape the future of the borough.
